OCTOBER, 2021

CURRICULUM ACTIVITIES: October is when we see the real effects of the Autumnal change, so our monthly topic is Weather. We'll be looking at how the weather changes with the seasons and what appropriate clothes to wear, giving us plenty of opportunity to practice getting our coats, boots, hats and gloves on! The dark evenings, mean it is also an ideal time to remind little ones about road safety.

It's also Harvest time, so we'll be counting pumpkins, checking their size and weight, to reading popular autumn stories, such as Pumpkin Soup & Room on the Broom.

There will be lots of role play and children will be getting very creative with colours and textures of Autumn! Children in each room will participate in age appropriate activities, in line with the seven areas of the EYFS curriculum.

SUPPORT AT HOME:- Information about our curriculum activities to get ideas from, is posted on our private Facebook page or let us know if you would like it emailing to you. Be sure and enjoy the colours of autumn and harvest. It's always the best time to get out and about for walks in the park and countryside and talk about what you can seeand don't forget to get into the spirit of Halloween, with plenty of dressing up!!!

AUTUMN CLOTHING: We are already feeling chilly mornings and cooler evenings, so just a reminder, please make sure your little one is coming to nursery prepared for the changeable weather this season brings, with good outside shoes, a cardi or sweater and waterproof jacket or coat for outdoor play and indoor slippers or pumps to change in todon't forget to name label them too! - Thank you.

FUNDED SESSIONS HOLIDAY:- The half-term holiday is w/c 25th October for our children attending funded sessions only. Funding re-starts Monday, 1st November.

CONGRATULATIONS: To Jemma, Foundation Stage teacher, who welcomed the safe arrival of baby Rose on Friday, 24th September. They will be coming in to visit nursery soon.
